Detail condition number			
Detail requested change			

Advertising device amendment details

Advertising device amendments may include modifying or removing an existing device or adding a new device. For modifying or removing an existing device, you need only identify the device and provide the amended details. For new devices you must provide all details and attach supporting information with this application.

If your application involves amendments to a temporary sign (promotional or banner), or only involves administrative amendments as detailed above, then skip this section.

Amendment type

- Add a new sign

 Amend an existing sign

 Remove a sign

Fees

No fees are required for this application.

Declaration

This section must be completed by, or for each applicant. Where a person is signing on behalf of a corporation or person (the 'signatory'), they must occupy a position that is legally entitled to make that application and complete the details below. Documentation must be provided if a power of attorney (POA) signs on behalf of a person.

I understand and verify that:

- I am duly authorised to make this application
- The statements and information provided are accurate, true and complete
- I have received all relevant third party consents and authorisations
- It is an offence to knowingly provide false or misleading information
- Approval of this application does not extend to the approval of any other statutory or local government requirements relating to this premises or activity
