If Yes , list the name/s of the services affected:			

Supporting documents	
Submission of all documentation is required before we can commence assessment of this application.	
Site plan and cross-sectional details	<input type="checkbox"/>
Denote on plan the location, size, material and depth of all underground services situated adjacent to the proposed ground anchor location.	<input type="checkbox"/>
Denote on plan the location, depth, angle of inclination and length of the proposed ground anchors.	<input type="checkbox"/>
Denote on plan and or provide details of the type, strength and manufacturers details of the ground anchors as applicable to the rod, wire, screw and grouting.	<input type="checkbox"/>
Notate on plan that no ground anchors are permitted within the top 3m of the road reserve as measured from the road surface at the site boundary line. Council may increase or decrease this depth depending on the details of adjacent services or structures.	<input type="checkbox"/>
Notate on plan that all ground anchors must have a minimum clearance of 1m from any adjacent underground service.	<input type="checkbox"/>
Note: Plan/s must be signed by a Registered Professional Engineer of Queensland (RPEQ) and must be accompanied by a design and inspection intent certificate signed by an RPEQ.	<input type="checkbox"/>
A work method statement demonstrating the details in which ground anchors are to be installed and tendons removed (mandatory).	<input type="checkbox"/>
Where the proposed ground anchors are in close proximity (within 2 metres) of a service not under Council control, written consent must be provided from the relevant service authority e.g. Energex, Telstra, NBN Co, etc. and submitted with this application.	<input type="checkbox"/>
A copy of a current public liability insurance policy of not less than \$20,000,000 must accompany the application.	<input type="checkbox"/>

Declaration*

I understand and acknowledge that:

- the information provided in this application is true and complete to the best of my knowledge
- Council may refuse this application if it becomes evident that any information or supporting documents provided is incomplete or false
- I approve of the information that has been provided in this application
- I acknowledge Queensland State Laws will accept this communication as containing my signature within the meaning of the *Electronic Transactions (Queensland) Act 2001*.
