

Bike parking application

Do you need more bike parking for your workplace or street? Please complete this form to support your request.

The City of Gold Coast (City) will assess all applications and priorities as funding is made available. Please note, the City cannot install bike parking on private property or some areas of public land.

If your application meets the relevant criteria (including sufficient space), the City will be in touch to confirm your request has been successful and the timelines for the installation of bike parking.

1. Workplace details

Name of your workplace: _____

Address: _____

Business type: _____

- I am a business and property owner
- I am a business operator or employee
- I am a property owner
- I am a resident

Other: _____

2. How many bike racks are required?

I am making this application to:

- Provide a bike rack in a location with no existing racks.
- Increase bike rack parking in a location with existing racks.

These are the types of users I expect:

- Employees
- Customers
- Residents
- Visitors
- Students

Other: _____

Request for bike parking

How many bikes are typically parked in this location: _____

How many bikes do you think need to be accommodated: _____

3. Where is the bike parking required?

- I have a spot in mind next to an existing pathway.
- I have a spot in mind in a grassed or landscaped area.
- I have a spot in mind using an on-street car park (please note time regulated or paid parking spaces could be considered).

Other: _____

To assist with your application, please include photos and a map of the suggested location when completing this form and sending to workplacetravel@goldcoast.qld.gov.au

4. Contact details

Name: _____

Title: _____

Email: _____

Phone: _____

Postal address: _____

5. Next steps

The City will assess and prioritise all applications received as funding is made available. All applications will be assessed in accordance with Bike Parking Australian Standards AS 2890.3:2015. If all criteria (such as sufficient space, location, safety requirements and demand for bike parking) are met and funding is available, the City will be in touch to confirm your request has been successful and timelines for the installation of bike parking. Officers maybe in contact to clarify this application or provide you with further information on Workplace Travel Programs.

Information Collection Notice

Thank you for requesting bike parking. Please note by completing this form you will be providing us with information, some of which, may be personal information. Your participation is voluntary. This personal information will be used by our officers to assist them in assessing the need for bike parking facilities across the City. Your personal information will be handled in accordance with the Information Privacy Act 2009, will be stored securely and will not be given to any other person or agency unless you have given us permission or we are authorised or required by law.
