GOLD COAST CITY COUNCIL
LOCAL LAW NO 26
(SPRAY PAINTING AND SAND BLASTING)

Citation

1. This local law may be cited as Gold Coast City Council Local Law No. 26 (Spray Painting and Sand Blasting).

Objects

2. The objects of this local law are to:-
 - (a) regulate spray painting and sand blasting; and
 - (b) to protect the environment and public health and safety and convenience.

Requirements

3. A person shall not carry out spray painting, lacquering, steam cleaning, grinding, sand blasting or blasting with grit or other substances, or other similar process or processes on a road or land owned by or under the control of the Council, or in the open air within thirty (30) metres from the nearest habitable room.
4. The occupier of the land shall prevent the emission or escape from such land on to land in other occupation and on to a road or public place, any spray from painting, lacquering, sand blasting or other similar process and any steam, gas, filings or particles produced or used in any process on the land.
5. The Council may, by notice in writing, to an occupier of land where spray painting, lacquering, sand blasting or other similar process is carried out, or proposed to be carried out, or steam, gas, filings or particles are produced or used in any process, direct that a booth in accordance with the design of the Council be provided by such occupier within the time specified in such notice.
6. Should the occupier fail to comply with the requirements of such notice, he shall be guilty of an offence.
